40+ Editor:

My parents had gone out for the evening, and I was hanging around the house. I was totally bored and totally horny, since my boyfriend was away at school. I thought I would take a quick shower, then watch a movie or something. Actually, I would have done anything to stop the powerful throbbing between my thighs.

I peeled off my clothes and stepped under the warm spray. I lathered my washcloth and began to slowly soap my body—first, I concentrated on my sexy little titties, then moved to the hot, wet area between my thighs. I rubbed up one side of my slit and down the other, then pressed the warm cloth to my pulsating clit. I needed to come so bad.

Then I heard the phone ring. I was tempted to just let it ring, but I knew if it was my folks and I didn't answer, they would be totally paranoid. Even though I'm 18, they freak easily. I hurried to rinse off, pulled on my robe, then picked up the phone in the hallway.

"Hello?"

"Hi, Cyndi. Is your dad around?"

It was Ron, one of my dad's good friends. "No, not right now. He and Mom went out for the evening. Can I give him a message?"

I found myself picturing Ron's handsome face and hard body. He was in incredible shape, since he worked out at the gym all the time. I had found myself wanting to reach out and grab his sexy ass more than once. But I knew he would be embarrassed and my folks would have a cow.

"So how are you doing?" I asked, wanting to keep the conversation going. I carried the cordless into my room and relaxed on my bed, intending to finish what I had started in the

shower. Ron's voice was so sexy, so soothing, with just a hint of a Southern twang. It made my pussy wet just listening to him. I pushed open my robe and started tweaking my titties.

He started talking about a class he was teaching at the university. I wished I were one of his students. That way I'd get to check out his nice ass and washboard abs every day. I pinched and rubbed my nipples, sending jolts of pleasure to my throbbing clit. "I bet your students are enjoying the class," I said.

He continued to talk about the curriculum, how he hoped to make a difference in the life of each of his students. I was almost sorry he didn't know what a difference he was making in my life right at that moment!

I let my hand drop lower, so my fingers could spread my pussy-lips. I was so wet and so hot that I knew I was only seconds from coming. I circled my clit, teasing it with really slow strokes, then rubbed it really hard and fast. I could barely suppress my groans of pleasure. But I didn't want Ron to know what I was up to.

I poked my finger up into my slippery pussy. I wiggled it around, rubbing my insides. Then I slipped two fingers into my hot slot, poking them in and yanking them out really fast.

"What are you taking this semester?" he asked.

I almost didn't hear him as my fingers plunged in and out of my body. "Ummm, this

40+ #05

40+: I'm glad you're taking a few minutes to talk with me today. Seems like it just a couple months thta we did this.

Phoenix: I don't mind. It shows you like me. (giggles)

40+: Not only do we like you, but you've got thousands of fans liking you, too.

Phoenix: Ooohhh, that's nice.

semester. Well, I'm majoring in business, so I'm taking the usual, you know, the requirements."

"I majored in business when I first started college. But that was before I decided to follow my dream and become an artist. That's what's really important, you know. Doing what you enjoy, what you really want to do."

Right at that moment, that was exactly what I was doing. I was doing something I really enjoyed. The only thing missing was him in person. I bet he had a really nice cock, long and thick, just right for sucking. I could almost picture it as I started circling my clit again. I was so close that I didn't know how much longer I could hold back.

"Well, it was really nice chatting with you, Ron," I said, trying to hurry him off the phone before it was too late, before he could figure out what I was doing.

"Yes, it was nice talking to you, Cyndi. I...

I didn't even hear what he said as I clicked off the phone and concentrated on making myself come. A couple more circles around my clit, a couple more jabs up into my pussy, and I would be there. I played with my titties with one hand and rubbed my clit hard and fast with the other. In seconds I could feel the heat spreading from between my legs. It felt so good that I couldn't suppress a low moan.

My body trembled and my pussy contracted again and again. It was totally intense, but only because of Ron. Hearing his voice and picturing his body had done it for me.

When I finished, I lay there for a minute, taking deep breaths. Then I pulled my robe closed and got up to go downstairs. I needed a snack, and then I could sit down and read a book, or maybe watch a movie. The insistent throbbing had been relieved—at least for the moment.

Cyndi, Washington

To the Editors:

The doorbell was ringing and I was rushing to answer it. I had just finished showering and still had the towel wrapped around me as I opened the door. Standing on my stoop

was my new neighbor Corrine. She had just moved into the neighborhood a few months ago and we had met several times before, but this was the first time that she had come over. She had pretty, dirty blonde hair, blue eyes and was as tall as me. She also had D sized tits on a slim figure. If there was a definition for MILF with a picture, Corrine would definitely be it.

"Hello Corrine," I said surprised. "Hi," she said back. "Is there something I can do for you?" I asked. "I came for the fun," Corrine replied.

I had a confused look on my face because I had no idea what she was talking about. Corrine then had me close my eyes. I opened my eyes and saw Corrine standing there completely naked, her robe on the ground around her ankles.

"Holy shit!" I said surprised and shocked. "Like it? My ex paid for this body. Tits, chin, butt, but now I have no one to share it with." Corrine explained.

I had found her quite sexy ever since the time we first met at the community center shortly after she moved here. So when I saw her nude for the first time, it was super hard to keep a straight face while trying not to get hard. "May I please come in if you don't mind?" she asked in a shy voice. Fucking her would be a dream come true, I thought as she walked past me into my living room.

She made herself comfortable on the sofa and asked for a drink. I went to the kitchen

40+: *Speaking of which, I brought a few letters we received that I thought I'd share with you.*

Phoenix: *Wow! Cool! No one has ever brought me fan mail.*

40+: *Well, I have and I've highlighted some things. Ready?*

Phoenix: *I'm ready, let's do it...*

40+: *'Where is the most fun place you had sex?'*

Phoenix: *Most fun? Probably my kitchen, believe it or not. I was making a birthday cake for my man when he surprised me, and we did it there in the spilled flour with stuff all over the place.*

and brought back a bottled iced tea. I handed it to her and sat on the chair next to the sofa. She started talking about her ex and moving out on him and trying to adjust to a new place. Finally she blurts out to show her my cock.

"Drop your towel," she says. I stood there dumbfounded for a moment but decided to do as she asked. Why not? I did as she said; I dropped my towel and let her see my cock.

"It's huge. I can't believe how huge it is. That's the biggest cock I have ever seen," she said. "Bet you get all the chicks to fuck you." "Not really," I replied. "I'm not much of a ladies' man; I've only had sex a few of times."

She motioned to me to cover up again and we sat on the sofa for another hour, much more relaxed and more open in our conversation. I invited her to go to the pool with me since neither one of us had needed a swimsuit. She laughed and we went out back to the pool. I had a huge back yard, with a wooden fence for privacy around the whole yard. I ran into the pool first and jumped in, then Corrine.

"I've never skinny dipped before. This feels great," she says. "Same here," I said. "It's like a warm caress all over your naked body," I added. "Like it when it touches your erection?" Corrine asks. I was shocked and embarrassed; I didn't know what to say. Corrine moved toward to me. When she got to me, she kissed me. We started to make out and she grabbed my cock and gave it a slow stroke for every kiss. After making out for a few minutes, Corrine said, "Let's go up to your room, I want you fuck the shit out of me."

We got out of the pool, grabbed a towel to place on the bed and ran up to my room. I got on top of Corrine and gave her a big kiss on the lips; I grabbed my hard cock and shoved it in her. I fucked her at a fast pace. We were both very horny but Corrine was even hornier. She was really screaming at the top of her lungs from the fucking I was giving her. I wanted to change positions, but was way too horny to stop, so I just kept going. Corrine just kept talking dirty to me. She finally came, it was a huge one. I came a few seconds after, right into her pussy. She didn't want me to pull out and cum, so I stayed in. I looked right

into Corrine's eyes as we were coming and gave me the biggest smile in the world.

We cuddled each other until we fell asleep. It was the next day, as I woke up I found my Corrine already awake. She was sucking my cock. It felt fantastic. I propped myself up on my elbows to watch her work. She started at the tip with her tongue swirling around the head and moving down the shaft all the way to my balls. Then she quickly pops up and takes it all in her mouth, again down to the base. I throw my head back in pleasure and give out a moan of approval.

She takes my hips and pulls me to go on my stomach. I do and then she pulls my hips up so that I'm on my knees with my butt slightly up in the air. I feel her wet tongue working its way between my buttocks and her hand sliding up and down my cock. She moves from my asshole to my balls and back again. She backs her face off my butt and replaces it with her fingers to stimulate my anus. She teases it with soft probes into it until she manages a whole finger inside. I moan and tighten around it and she pulls out.

She now slides herself under my cock and pulls my cock into her wide open mouth. She pulls my hips down so I begin fucking her mouth. She senses I'm about to cum and furiously massages my balls and sticks a finger in my butt. I climax and shoot like never before. She swallows very drop keeping my cock in her mouth until she knew I had emptied into it. Then she got up and went home.

— Tony, California

40+: 'Would you have sex on the moon?'

Phoenix: (laughs) The moon? Really? Okay, I guess I would fuck on the moon. It actually sounds out of this world! (laughs)

40+: 'Have you taken any naked selfies?'

Phoenix: I have, but they're just for me. There's plenty of naked images of me out there, so those are just for me and my lovers.

JACKY & LEE

I met Lee a couple months ago and he seemed like a really nice guy. He's such a hunk and a really good fuck. I freshened up and headed over to the house. When we met, it was lust at first sight. I just couldn't wait to get my lips around his cock. Check out my super hot video scene and add your spunk to his. I'd like that, a lot!

welcome to the neighborhood

a new resident gets a very warm welcome

When I moved into my new condo, it was a relief to get away from the situation I'd been in. My (former) girlfriend and I had been at odds for months, and it seemed best just to call it quits and move on. My new neighborhood was nice, with lots of trees, a big green space in back, and a communal vegetable garden. It would be restful and quiet, I hoped—a welcome change from the last six months.

My first night in the new condo, I was surrounded by boxes and didn't know where anything was. Extremely tired, I decided to skip dinner. A knock on the door surprised me. I opened to find a girl holding a big pot. Great, I thought, the neighborhood welcoming committee has sent over a casserole.

"Hi, I'm Karen, your neighbor. Thought you might be hungry after the move."

I was hungry, and for more than dinner. But I figured the cute redhead was probably straight.

"As a matter of fact, I am hungry." I tried not to wrinkle my nose at the thought of well-meant but boring tuna and noodles. "I don't know if I can find plates, but I'll manage something. Thanks. And my name is Rose."

Karen stood there as if she were waiting to be asked to sit down, but finding an empty seat would be difficult. "I saw the rainbow sticker on your car. I want you to know that you have friends here."

"Friends?"

"Yes. Most of us here in the complex are gay. No one planned it. It just happened." She laughed. "If you aren't attached, you won't have to spend many nights alone, unless you choose to."

"You will stay for dinner, won't you?" I asked, clearing the kitchen chairs and table.

As soon as we finished the paella (it wasn't tuna and noodles!), Karen set to helping me put things away. We chatted and laughed as she helped me hang up clothes and unpack. The movers had set up the bed. Karen flipped half of a fitted sheet across to me on the other side. As soon as we had it tucked in, she said, "Lie down, Rose. You're surely exhausted from the move. I know just the thing—a body massage."

Karen's hands were soothing; I stretched out and let her work. First, she tackled my tight back and shoulders with the hands of a magician. Instantly the tension and fatigue began to dissipate. She worked lower, on my hips and waist, and of course I was soaking wet at the intimate touch of a girl. She worked the back of my legs, down my calves, and I was shuddering in anticipation. But this might be merely a friendly gesture, not sexual, I thought, so I tried to restrain my impulses.

"Turn over," Karen said, and I happily complied. She'd somehow slipped off her jeans and black T-shirt and was wearing only a pair of skimpy blue panties. When she leaned over to me, her full breasts brushed against mine, and I was out of my jeans and bra in an instant.

She was still massaging my shoulders and upper arms, but by now I was ready for a full massage of a different sort. When I pulled her to me and kissed her, her hands kept working over my body, kneading my breasts and sucking my nipples as I fondled hers.

I don't know who was getting massaged at that point. We were both all hands, exploring

and touching, and trying to hold back touching each other's pussy. It was only an instant more before she was in mine and I in hers. Her warm wetness was incredibly welcoming to someone who hadn't had sex in at least half a year. My heat flared up as she nuzzled my neck and massaged my clit.

"Oh yes, oh yes, that feels so good!" I was dripping wet and aching for her to lick me, but she inserted her fingers inside my pussy and thrust in and out with such strength and fullness that I nearly took off right then.

There was no doubt, she was expert at this and held me back until I was even higher, circling my hard nub, rubbing around it, and finally parting my lower lips and tickling the tip with her tongue. Even as tired as I was, it took only a few seconds of her powerful sucking to bring me to climax. I was so ready, so needy for the touch of a woman, that I convulsed in wave after wave of contractions.

And I was just as ravenous for her salty taste as I had been for her to fuck me. I explored all of her warm creases, her secret places, her oozing wetness, nibbling up and down her folds, until I settled on her stiffened nub and sucked her to orgasm. She responded by moaning and contracting over and over. Welcome to the neighborhood, indeed!

The next day I was still unpacking and putting things away when I again heard someone at the door. A close-cropped blonde in tight shorts and a tank top said, "Hi, I'm Carol. I wanted to introduce myself."

"Hi, Carol. I'm Rose. Come on in." At least the place didn't still look like a garage sale, thanks to Karen's help.

"You've made a lot of progress already getting things organized."

"Yes," I said. "One of the neighbors, Karen, came over last night and helped me. I couldn't have gotten this much done without her."

"Oh, so you've met Karen. You have to be very careful with her. She'll take advantage of you. You should have seen what she did to me the day I moved in, with her 'Oh, let me give you a massage' routine."

"Oh? She wasn't helpful to you?" I thought how Karen's massage had given me the best sleep I'd had in months, not to mention the best orgasm I'd had in years.

"Oh, she's helpful all right," Carol sniffed. "But she's helpful to everyone like that."

Clearly there was a little jealousy going on here. I had no interest in causing anyone to get upset, so I said, "I'm going to make us some iced tea. You can tell me about the people who live

here. All Karen said was that a lot of gay girls live in the complex. How did I get so lucky?"

"Yes, we have a lot of interesting parties and things going on. Everyone is quite friendly, but Karen seems to take being friendly to extremes."

Carol sat on the newly unearthed sofa with her legs slightly apart and her tank top ready to spill out its contents. I thought for a moment as I stared at her that she shifted her legs even farther apart. As I handed her the tea, I couldn't help notice that her nipples were erect.

"Sit here by me," Carol said. "I want to get to know you." She had only to ask. I was next to her in an instant, as she crossed her legs on the sofa and let me peek at a fringe of curly hair and a pink fold at the crotch of her shorts. I was probably visibly drooling at this point.

I hardly knew what would happen next. Carol put her hand down between her legs and pulled over the fabric of the shorts so that I could see just about all of her lush, moist glory. She put her fingers on her clitoris and began manipulating it, as I sat there with my mouth gaping.

"Would you like a little help with that?" I asked her.

I explored all of her warm creases, her secret places, her oozing wetness, nibbling up and down her folds, until I settled on her stiffened nub and sucked her to orgasm.

"Yes, if you like. I seem to have an itch that I can't quite reach. Maybe you can."

I moved over to her and placed my own fingers on her flushed, dripping pussy. She held the black fabric of her shorts to one side as I manipulated her clit and probed her curled folds and creases. I was just able to insert a finger into her waiting hole and wiggled it back and forth.

From a pocket she produced a mini-vibrator and handed it to me. "Put it inside me," she said, "and pull on my clit."

The tiny rocket took off up inside her and I rubbed, rolled, and tugged gently on her scarlet nubbin. Her eyes were closed and, tank top

raised, she was twisting her own nipples, moaning and panting. As her breathing became shallower, she seemed to grind down against the vibrator.

"Faster, faster," she pleaded, as she came closer to getting off. I rubbed her clit as fast as I could as she began jerking and twitching, screaming out, "Oh, god, more, harder."

Finally satisfied, she unbuttoned my shirt and began kissing my breasts and sucking my nipples, reaching down inside my pants without unzipping them at first, but then lowering the zipper until she could put her hand inside my panties and work her way down to the flooded flesh awaiting her.

ing over the garden spot in back, contemplating planting something in the space allotted to me, when I heard a car pull up. A girl emerged from a Jeep carrying a tray of plants. "Hey," she yelled to me, "do you want to help me put in these tomatoes? Think of all the great salads we'll have later this summer."

She was handsome, maybe in her late twenties, and her stylish hair and hot-looking smile told me she was probably another dyke. I certainly hoped so.

"Sure, why not? But I don't think I can find my garden tools yet. I'll have to use yours."

"And after we plant, I'll bring over supper."

"Great," I said. "You probably need to know the name of the person who's about to handle your tomatoes. I'm Rose."

"I'm Gail. And, thanks, because I can't let just any stranger handle my tomatoes. I'm a little fussier than that."

Watching her bent over the rows of dirt planting vegetables, now changed into shorts so that I was watching her ass, made me wonder if I would be welcomed to the complex yet again, but I didn't have to ponder it long. She said, "Let's get washed up and have dinner."

With her fingers up my pussy and the little vibrator kneading my clit with powerful, even sensations, I couldn't wait a second more and erupted into spasms and contractions.

When she inserted her finger, it drove me wild. I was aroused from watching her touch herself, and her fingering me pushed me even higher. She continued to touch and probe inside my panties, until she couldn't get in as far as both of us wanted her to, so she pulled my jeans down to my hips.

Carol placed the small but powerful vibrator against my clit, and my reaction was nearly automatic. With her fingers up my pussy and the little vibrator kneading my clit with powerful, even sensations, I couldn't wait a second more and erupted into spasms and contractions.

It was incredible. I climaxed over and over, each contraction seeming stronger than the last.

When Carol left, I began to wonder just what sort of place I'd moved into. Were all the neighbors this friendly?

It was early evening and I was outside look-

She appeared at my door five minutes later bearing a basket that made it look like she'd cleaned out the deli. I'd set plates on the coffee table in front of the sofa. Let's skip dinner, I thought, and get right to the welcoming part. Gail had changed clothes into a pair of light green lounging pants with a matching low-cut top that tied just under her breasts.

"I've met Karen and Carol already. Everyone seems to be friendly here."

Tearing off a chicken leg and reaching for a piece of focaccia, Gail said with a sniff, "Oh, those two. They've always got to be first when someone new moves in. They may have been first, but I," she said as she undid the tie of her blouse and loosening her full breasts, "am definitely a shade above that. I know how to really make you feel welcome here."

Gee, why did I wait so long to move? I was going to like it here a lot.

Hi, Keni here... I just loved doing these two girls. They were so attentive to me. I don't think there was even one minute that my cock was not in a mouth. As soon as one finished, the other was right there, ready for me. That was the best. I enjoy pleasing women, and when I can please two at the same time, even better.
